

User Manual

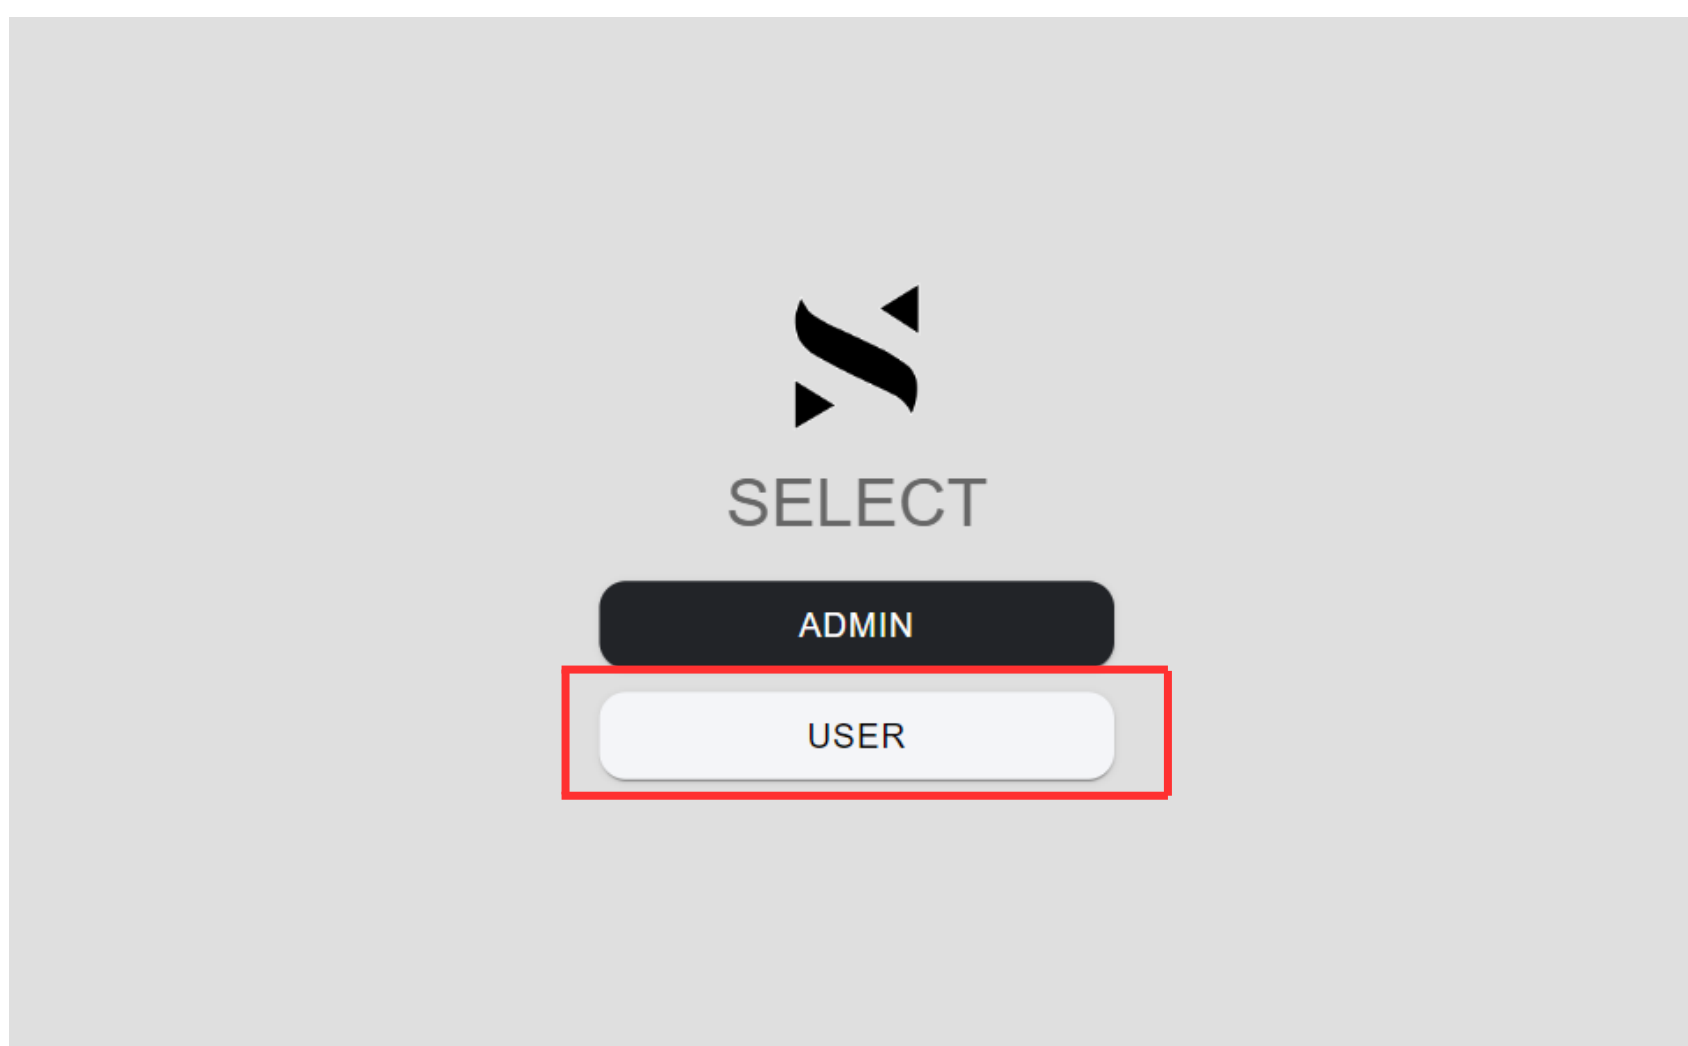

SEGUES

Step 0: Application Launch

1. Open the application.
2. Navigate to the home screen.

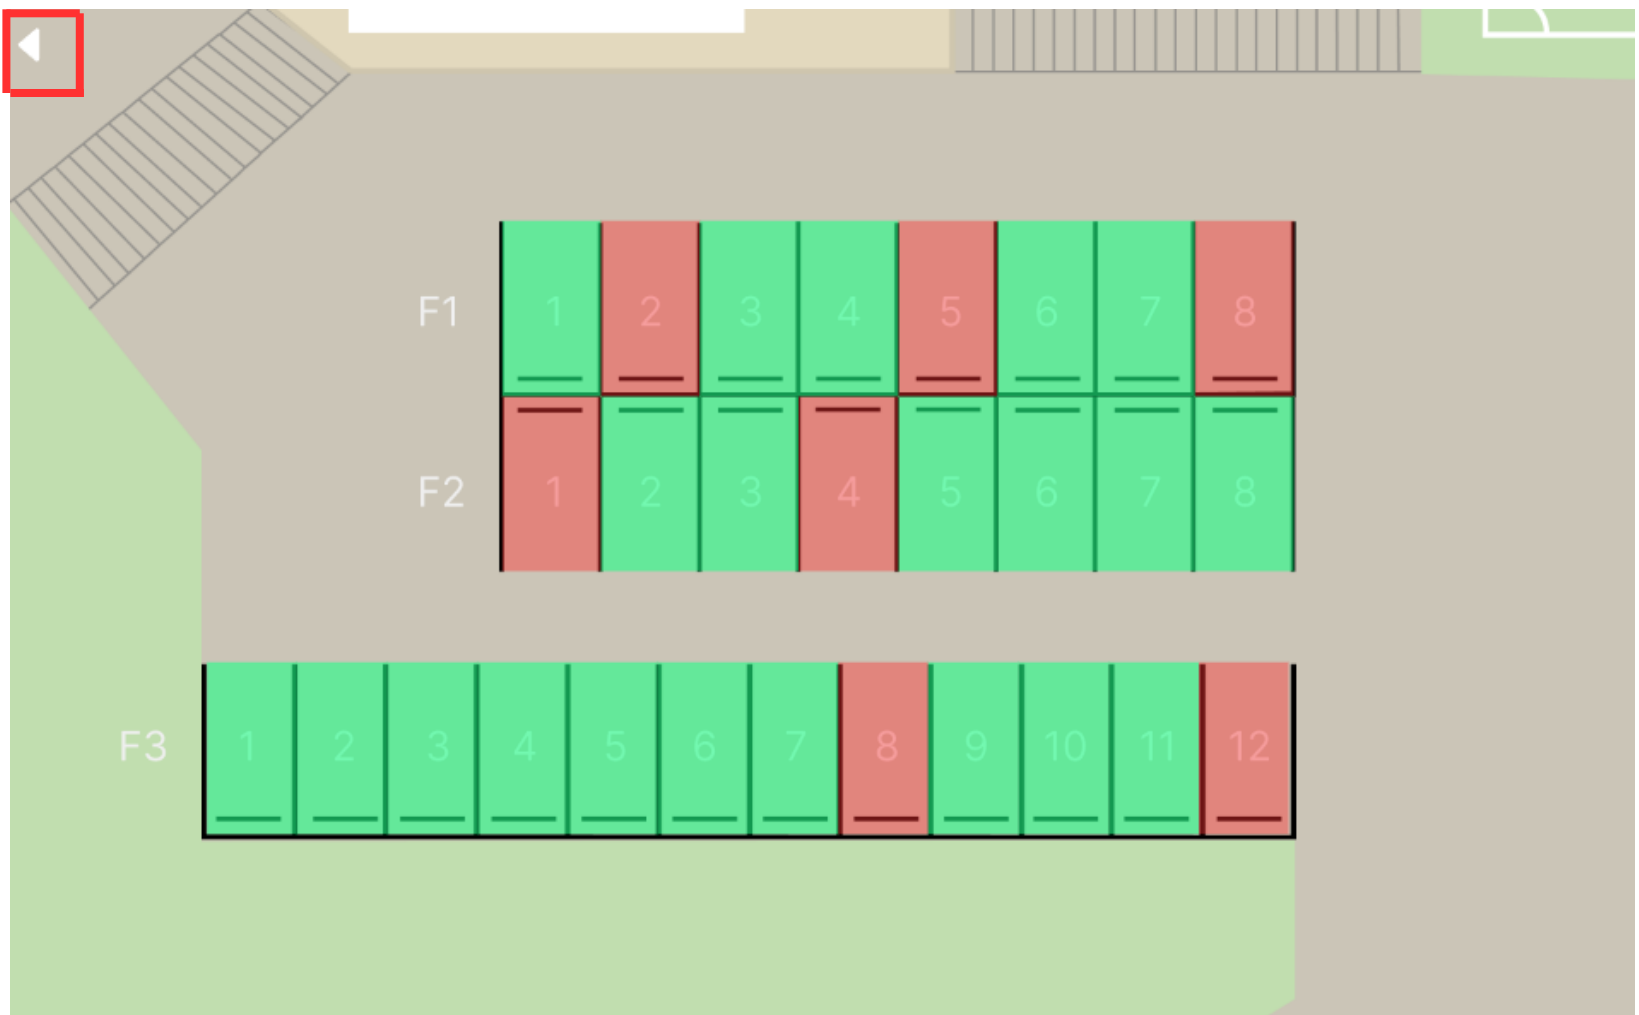

1. On the home screen, display two buttons: **"Administrator"** and **"User"**.
2. The user should select one of these buttons based on the role **"User"** they wish to play in the application.

Step 1: Step 4: Selecting and Observing Parking Spaces

1. **Navigate to 'Parking' Section:** Access the parking area of the application to view the layout of spaces.
2. **Identify Spaces:** Available spaces are indicated in green, and occupied spaces in red, allowing for easy visibility.
3. **Select a Space:** Choose an available space by tapping on it and confirm the selection if required.
4. **Navigate to Space:** Follow any provided navigation instructions or route map to reach your chosen parking space.

1. **Return to Select Screen:** Navigate back to the select screen.
2. **Exit Application:** Close the application using the "Close" or "Exit" option or by closing the window/tab.
